

SUMMER 2020

4. I fill time, but not the emptiness

As the school year ends and summer begins, we suggest working on pages 5-6 of the <u>Notes</u> <u>from the GS Raggio</u> via video link with Julián Carrón and Francesco Barberis. We should re-read the text, consider our experience, and let ourselves be challenged by this question: **"In the free time of the holidays, which experiences do not produce boredom, but rather open you gaze and fill your heart?"**.

Please note it is possible to send questions and contributions to the site <u>http://eventi.comunioneliberazione.org/gscontributi/</u>
